PART#: SATA-C35U Ingram SKU: Q39410 Synnex SKU#:1988173

Description :

The Hi-Speed USB 2.0 to Serial ATA (SATA) Drive Adapter creates a bridge between one USB 1.1/2.0 port and one Serial ATA or SATA-based mass storage device port. The USB 2.0 to SATA Drive Adapter turns any SATA hard drive into a convenient external drive. Easily transfer files from computer or notebook, back up files, or store large file archives on hard drives. The Hi-Speed USB 2.0 interface provides for easy installation with its Plug and Play design. The adapter supports all existing Serial ATA SATA drives 2.5" or 3.5"
